# ProFloracel™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## Supports a Healthy Microflora Balance with Probiotics plus Cellulase\*

ProFloracel™ provides a clinically-proven blend two highly-stable strains of *Lactobacillus acidophilus* and *Bifidobacterium longum* plus powerful Cellulase enzymes to promote a healthy balance of bacteria and yeast in the mouth, throat and intestinal tract.\*

### Clinical Applications

- Contains five different probiotic strains with well-documented beneficial results
- Promotes healthy microflora colonization and balance\*
- Helps protect against overgrowth of harmful bacteria and yeast\*
- Provides high potency enzymes to assist in breaking down Candida cell walls\*
- Encourages normal bowel regularity and stool consistency\*
- Eases occasional discomfort common to acute and chronic bowel conditions\*
- Supports healthy immune cell activity and inflammatory cytokine modulation\*
- Probiotics are stabilized to maintain shelf life meaning no refrigeration is ever needed
