*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, mitigate, cure, or prevent any disease.

ProEnzol® ProFloracel™ provides a clinically-proven blend of five *Lactobacillus* strains plus powerful Cellulase enzymes to promote a healthy balance of bacteria and yeast in the mouth, throat, intestinal, and urogenital tracts.*

DIRECTIONS

FOR INTESTINAL USE: Mix one (1) scoop into 6 oz. of cool liquid and drink twice daily on an empty stomach, or take as directed by your healthcare professional.

FOR ORAL USE: Mix one (1) scoop into 3 oz. of cool water, swish and gargle thoroughly twice daily for at least 30 seconds then swallow, or take as directed by your healthcare professional.

FOR UROGENITAL USE: Mix one (1) scoop into 1 mL of warm water to form a gel-like consistency and dispense via a vaginal applicator twice a day, or take as directed by a healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.

ProFloracel™
