

ProEnzol® CirculEnz™ provides a modulating blend of potent botanical extracts including Horse Chestnut and Diosmin, plus powerful systemic enzymes from non-animal sources to support healthy structure and function of veins and capillaries, helping to maintain adequate peripheral blood flow.*

DIRECTIONS: Take two (2) capsules one to two (1-2) times daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.
