

IMMUNE SUPPORT

# AllerEnz™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## Promotes Healthy Immune Responses to Seasonal and Environmental Challenges\*

AllerEnz™ provides a highly-effective blend of symptom relieving herbal extracts including Stinging Nettle and Quercetin, plus powerful systemic enzymes from non-animal sources to support a healthy immune response to occasional air-borne seasonal and environmental challenges by helping to maintain a normal production of histamines and cytokines.\*

### Clinical Applications

- Promotes healthy immune responses following exposure to either seasonal or year-round airborne irritants, helping to relieve occasional upper respiratory discomfort\*
- Interacts with proteins involved in antigen-specific IgE antibody formation in plasma cells which may ease sensitization to otherwise harmless substances\*
- Helps moderate histamine production and release from IgE-activated mast cells and basophils, which may lessen symptoms of hypersensitivity\*
- Supports mast cell membrane stabilization by influencing levels of intracellular cAMP and calcium hindering the release of histamine and other pro-inflammatory mediators\*
- Encourages normal capillary permeability aiding mucus membranes in avoiding histamine-induced swelling of the nasal passages and sinuses\*
- Assists in maintaining normal mucus volume, viscosity and mucociliary elimination, which may help resolve excessive nasal discharge and congestion improving nasal airflow\*
- Works with the body to facilitate proper sinus drainage protecting against facial pressure pain\*
- Impacts histamine-induced sensory nerve stimulation and blood vessel dilation which may minimize sneezing and itching of the eyes, nose and/or throat\*
- Participates in managing inflammatory cascades by helping to regulate the release of pro-inflammatory cytokines and eicosanoids\*
- Aids in maintaining healthy immune cell activity and clearance of allergens from the body\*

## Supplement Facts

### Supplement Facts

| Serving Size: 2 Vegan Capsules  |                          |      |
|---|--------------------------|------|
| Amount Per Serving  |                          | % DV |
| Vitamin C (from Acerola Cherry ( <i>Malphigia glabre</i> ) (fruit) Extract)           | 100 mg                   | 111% |
| <b>Synergistic Botanical Blend</b>  |                          |      |
| Tinospora ( <i>Tinospora cordifolia</i> ) (aerial part) Extract (20% polysaccharides) | 200 mg                   | **   |
| Acerola Cherry ( <i>Malphigia glabre</i> ) (fruit) Extract                            | 200 mg                   | **   |
| Stinging Nettle ( <i>Urtica dioica</i> ) (leaf) Extract                               | 150 mg                   | **   |
| Quercetin Dihydrate (from Japanese Pagoda ( <i>Sophora japonica</i> ) (flower))       | 100 mg                   | **   |
| Eyebright ( <i>Euphrasia officinalis</i> ) (whole herb) Extract                       | 100 mg                   | **   |
| Magnolia ( <i>Magnolia officinalis</i> ) (bark) Extract (2% Magnolol + Honokiol)      | 100 mg                   | **   |
| <b>Systemic Enzyme Blend</b>  |                          |      |
| Bromelain   | 4,200,000 FCC PU/280 GDU | **   |
| pHysioProtease® (a blend of exo and endo proteases)                                   | 40,000 HUT               | **   |
| Amylase   | 10,000 DU                | **   |
| Serratopeptidase  | 2,000 SPU                | **   |

\*\*Daily Value (DV) not established.

Other Ingredients: plant fiber, water.

### Product Details

#### DIRECTIONS

Take one to two (1-2) capsules twice daily on an empty stomach, or as directed by your healthcare professional.

#### CONTRAINDICATIONS

This product should not be taken by an individual with a hypersensitivity to *Aspergillus* or to any of its ingredients.

If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use.

#### DOES NOT CONTAIN

Sugar, soy, wheat, yeast, gluten, peanuts, tree nuts, eggs, dairy, animal products, artificial colors, flavors and sweeteners or genetically modified organisms (GMOs).

#### STORAGE

Store tightly closed in a cool, dry place out of reach of children.
