

MUSCULOSKELETAL SUPPORT

InflammEnz™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Promotes Healthy Inflammatory Responses and Tissue Repair*

InflammEnz™ provides a powerful blend of non-animal derived proteolytic enzymes, Bromelain and pHysioProtease®, plus antioxidant nutrients proven in a published medical study to significantly reduce inflammation and accelerate soft tissue healing.*

Clinical Applications

- Supports the body's normal inflammatory response easing soft tissue swelling, bruising, and discomfort following trauma or surgery*
- Activates plasma α-2-macroglobulins helping to facilitate the binding and rapid elimination of pro-inflammatory cytokines*
- Assists in maintaining normal capillary strength and permeability at sites of tissue damage which may reduce bruising*
- Encourages a healthy reduction in swelling and discomfort by aiding in the removal of dead tissue and excess interstitial fluid*
- Protects against tissue damage caused by oxidative stress using potent antioxidant nutrients to neutralize free radicals*
- Helps maintain normal fibrin levels promoting healthy blood flow and the delivery of healing factors to the site of soft tissue trauma*
- Attenuates exercise-induced muscle soreness due to inflammation, speeding up recovery time*
- Provides natural relief in acute and chronic situations without causing harm to healthy tissue or producing adverse side effects*

Supplement Facts

Supplement Facts

Serving Size: 1 Vegan Capsule		
Amount Per Serving		% DV
Vitamin C (from Calcium Ascorbate)	200 mg	222%
Calcium (from Calcium Ascorbate)	25 mg	2%
Proteolytic Enzyme Blend		
pHysioProtease® (a blend of exo and endo proteases)	200,000 HUT	**
Bromelain	1,005,000 FCC PU/67 GDU	**
