

DETOXIFICATION SUPPORT

Lymphizol™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Promotes Healthy Toxin Elimination and Lymphocyte Activity*

Lymphizol™ provides a synergistic blend of detoxifying botanical extracts including Cleavers and Burdock, plus potent systemic enzymes from non-animal sources to help maintain healthy lymphatic function by promoting normal drainage of interstitial fluids and immune cell responses.*

Clinical Applications

- Encourages the lymphatic system to efficiently remove toxic substances and cellular waste from the interstitial fluid helping to maintain normal tissue detoxification*
- Assists in preserving healthy circulation of lymph fluid protecting against lymphatic stagnation or congestion by promoting normal intralymphatic pressure and peristalsis*
- Helps maintain body fluid balance by stimulating promoting proteolysis and drainage of protein-rich excess fluid drainage from the interstitium and clearance through the urine which may benefit fluid retention and swelling*
- Supports normal lymphocyte and macrophage activity in the lymph nodes focused on destroying or neutralizing harmful microorganisms, foreign substances and rogue cells*
- Sustains the spleen's normal blood filtration, red blood cell recycling and white blood cell storage functions*
- Aids in keeping the blood healthy by supporting the normal elimination of toxins, excess water, salts, and metabolic waste in urine*
- Promotes normal immune/inflammatory responses by assisting in the modulation of leukocyte mobilization and pro-inflammatory cytokine expression*
- Supplements the body's own defense against free radical damage to cells by providing powerful antioxidant phytonutrients as well as up-regulation of innate antioxidant enzymes*
