

DETOXIFICATION SUPPORT

RenafiltrTM

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Supports Healthy Renal Filtration and Response to Oxidative Stress*

RenafiltrTM provides a targeted blend of potent herbal extracts including Red Sage and Grape Seed, plus CoQ10 and pHysioProtease[®] to promote healthy kidney function by helping to protect against oxidative damage and maintain normal clearance of metabolic waste and excess fluid.*

Clinical Applications

- Assists the kidneys in maintaining healthy renal blood perfusion and glomerular filtration rate*
- Supports normal clearance of creatinine, urea nitrogen, uric acid and other metabolic waste as well as excess water*
- Promotes normal protein excretion helping to relieve the buildup of fluid in body tissues*
- Protects renal endothelial cell homeostasis by helping to retain normal regulation of inflammation, thrombosis and complement *
- Encourages normal immune cell recruitment and disposal of circulating immune complexes aiding in protection against renal fibrosis*
- Helps preserve the integrity of nephrons and renal tubular epithelial cells*
- Activates blood microcirculation in the kidneys and protects glomerular capillaries*
- Exhibits nephroprotective properties by adding to the body's antioxidant defense against oxidative damage to the kidneys from toxic metabolites*

Supplement Facts

Supplement Facts

Serving Size: 2 Vegan Capsules		
Amount Per Serving		% DV
Targeted Herbal Blend		
Red Sage (<i>Salvia miltiorrhiza</i>) (root) Extract	300 mg	**
