

IMMUNE | CARDIOVASCULAR | NEUROLOGICAL

Mycozol™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Assists in Maintaining Healthy Immune, Cardiovascular and Cognitive Function*

Mycozol™ provides a comprehensive blend of eight therapeutic mushroom extracts including Reishi, Lion's Mane and Cordyceps, plus beta-glucans and pHysioProtease® to help maintain a healthy immune system, cardiovascular function and cognitive abilities.*

Clinical Applications

- Contains only the fruiting bodies of medicinal mushrooms because they provide significantly higher concentrations of biologically-active compounds than mushroom mycelium*
- Exhibits adaptogenic properties which assist the body in handling the adverse effects of stress on the immune, cardiovascular and central nervous systems*
- Helps modulate immune function by either stimulating or suppressing proliferation and activity of lymphocytes, neutrophils, macrophages and natural killer cells*
- Encourages strong immune resistance to harmful microorganisms and environmental irritants*
- Participates in maintaining a healthy inflammatory response by helping to balance cytokine production and secretion*
- Provides potent antioxidant phytochemicals highly effective at neutralizing free radicals to assist in protecting against cell damage caused by oxidative stress*
- Enhances immunity by supporting the growth of beneficial bacteria in the gut and by protecting the gut mucosal lining from damage*
- Strengthens both the innate and adaptive immune systems explaining its frequent inclusion in treatment protocols for chronic health conditions*
- Benefits blood sugar management by blocking the absorption of carbohydrates*
- Demonstrates the ability to improve a cell's utilization of oxygen and energy production*
- Assists in maintaining brain and spinal cord health by encouraging the production of nerve growth factors and the generation of new, functional neurons*
- Protects against amyloid-beta plaque accumulation in the brain*
- Promotes normal cognitive function, particularly memory and attention, and has a beneficial effect on mental health and overall well-being*

Supplement Facts

Supplement Facts		
Serving Size: 2 Vegan Capsules		
Amount Per Serving		% DV
Synergistic Mushroom Blend	1,020 mg	**
Reishi Mushroom (<i>Matricaria chamomilla</i>) (fruiting body) Extract (30% polysaccharides)		
Lion's Mane Mushroom (<i>Hericium erinaceus</i>) (fruiting body) Extract
