

DIGESTIVE SUPPORT

Protein DigestEnz™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Helps Digest High-Protein Foods Yielding Essential Amino Acids*

Protein DigestEnz™ provides a comprehensive blend of acid resistant, non-animal derived digestive enzymes with extra proteolytic activity from Bromelain and Protease CW™ to assist the body's own enzymes in the digestion of meals and supplements containing significant amounts of protein, helping to relieve the occasional gastrointestinal discomfort associated with an inability to properly break down dietary protein.*

✓ Clinical Applications

- Helps avoid protein intolerance and the resulting indigestion, uncomfortable fullness, flatulence and/or constipation following a high-protein meal*
- Supplies broad-spectrum digestive enzymes to break down dietary carbohydrates, fat and fiber in addition to protein in a typical meal containing high-protein foods*
- Assists in reducing cravings for high-protein foods*
- Increases essential amino acid and bioactive peptide availability and absorption*
- Protects against the production of metabolic toxins from undigested protein in the colon*
- Supplements gastric, pancreatic and intestinal brush border proteolytic enzymes*
- Provides digestive support in both the stomach and intestines*
- Supports optimal digestion of foods rich in protein including, but not limited to, eggs, meat, fish, nuts, oats, milk, cottage cheese, and protein supplements.*

ProteaseCW™ is a trademark of Enzymes Inc

Supplement Facts

Supplement Facts

Serving Size: 1 Vegan Capsule		
Amount Per Serving		% DV
Protein DigestEnz™ Blend	343 mg	**
Protease		
Alkaline Protease		
Acid Stable Protease		
Neutral Protease		
Peptidase		
Amylase		
Diastase		
Bromelain
