

ENDOCRINE SUPPORT

# Thyrizol™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## Helps Maintain Normal Thyroid Hormone Levels and Metabolic Rate\*

Thyrizol™ provides a targeted blend of modulating herbal extracts including Guggul and Coleus Forskohlii, essential nutrients including Iodine, plus pHysioProtease® to support a healthy thyroid gland in its normal production of hormones needed for the proper regulation of metabolism, growth and development.\*

### Clinical Applications

- Provides a bioavailable source of iodine for use in the normal biosynthesis of thyroid hormones as well as promotes its regular uptake by the thyroid gland\*
- Assists in maintaining rates of basal metabolism and thermogenesis within normal range, which may be beneficial for energy preservation, temperature regulation and weight management\*
- Helps retain healthy hypothalamic receptor sensitivity to circulating thyroid hormones, facilitating the proper pituitary release of thyroid-stimulating hormone (TSH)\*
- Participates in modulating the healthy production, secretion and action of the thyroid hormones, thyroxine (T4) and triiodothyronine (T3)\*
- Supports normal thyroid hormone conversion from inactive T4 to active T3 by helping to maintain adequate selenium and zinc in the blood\*
- Helps retain healthy hypothalamic receptor sensitivity to circulating thyroid hormones, facilitating the proper pituitary release of thyroid-stimulating hormone (TSH)\*
- Aids in stimulating the generation of intracellular cyclic AMP required for normal thyroid cell differentiation and proliferation, having a regulatory effect on thyroid hormone levels\*
- Counters the adverse effects of chronic stress by encouraging healthy inflammatory responses which positively influences binding to thyroid hormone receptor sites throughout the body\*

### Supplement Facts

Supplement Facts		
Serving Size: 2 Vegan Capsules		
Amount Per Serving		% DV
Vitamin D3 (as Cholecalciferol)	25 mcg	125%
Iodine (from Potassium Iodide)	150 mcg	100%
Zinc (from Zinc Citrate)	20 mg	181%
Selenium (from Selenomethionine)	150 mcg	273%
<b>Targeted Herbal Blend*</b>	<b>1,000 mg</b>	<b>**</b>
Guggul ( <i>Commiphora wightii</i> ) (resin) Extract (10% guggulsterones)		
Sensoril® (Ashwagandha ( <i>Withania somnifera</i> ) (root & leaf) Extract (NLT 10% withanolide glycosides))		
Coleus Forskohlii ( <i>Plectranthus barbatus</i> ) (root) Extract (10% forskolin)		
Ginger ( <i>Zingiber officinale</i> ) (root) Extract (5% gingerols)		
Bacopa ( <i>Bacopa monnieri</i> ) (whole herb) Extract (20% bacosides)		
pHysioProtease® (a blend of exo and endo proteases)	120 mg	**
**Daily Value (DV) not established.		
Other Ingredients: plant fiber, water.		

### Product Details

#### DIRECTIONS

Take two (2) capsules daily on an empty stomach, or as directed by your healthcare professional.

#### CONTRAINDICATIONS

This product should not be taken by an individual who has been diagnosed with a hyperthyroid condition.

This product should not be taken by an individual with a hypersensitivity to *Aspergillus* or to any of its ingredients.

If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use.

#### DOES NOT CONTAIN

Sugar, soy, wheat, yeast, gluten, peanuts, tree nuts, eggs, dairy, animal products, artificial colors, flavors and sweeteners or genetically modified organisms (GMOs).

#### STORAGE

Store tightly closed in a cool, dry place out of reach of children.

pHysioProtease® is a registered trademark of Enzymes Inc

Sensoril® is protected under US patent #7,318,938 and CA patent #2,508,478 and is a registered trademark of Natreon, Inc.
