Urinattract™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Helps Maintain A Healthy Urinary Tract And Unimpeded Urine Flow*

Urinattract™ provides a synergistic blend of potent herbal extracts including Chanca Piedra and Dandelion, plus D-Mannose and pHysioProtease® to protect the delicate epithelial lining of the urinary tract from bacteria and calculi by promoting normal urine output and pH.*

Clinical Applications

- Supports a normal, sterile environment in the urinary tract by hindering the adhesion of unwanted microorganisms to the bladder and urethral walls*
- Exhibits significant antibacterial activity against a broad range of harmful bacteria promoting a strong immune response in the urinary tract*
- Encourages healthy, unobstructed urine flow by helping to maintain normal urine output to naturally flush out bacteria, crystals and toxins from the urinary tract*
- Impedes crystal aggregation and deposition in the urinary tract by lowering calcium oxalate and uric acid levels in the urine*
- Promotes a healthy inflammatory response, relaxation of smooth muscle and sensitivity to pain which may help relieve urinary tract discomfort*
- Aids in maintaining bladder strength and control promoting normal urgency and frequency of urination*
- Helps preserve the integrity of epithelial tissue in the urinary tract by augmenting the body's defense against oxidative damage from toxic metabolites*
