

Thyrizol™

Reformulation Date: January, 2024

Reformulation Details*

Thyrizol™ has been reformulated to be more effective at helping to restore and maintain optimal thyroid function. The suggested dosage has changed from one capsule twice daily to two capsules once daily on an empty stomach for better patient compliance. Guggul, bioactive Sensoril Ashwagandha and Bacopa have been added to the formulation because they work synergistically with increased potencies of Coleus Forskohlii and Ginger to help support normal serum concentrations of thyroid hormones by participating in the modulation of T4, T3 and TSH production, secretion and activity. Wide variations in mineral content as well as relatively high levels of heavy metals led to the decision to remove Bladderwrack from this formulation. Bladderwrack has been replaced with Potassium Iodide, Zinc Citrate and Selenomethionine as bioavailable sources of Iodine, Zinc and Selenium, respectively. All three of these minerals plus vegan Vitamin D3 are essential for thyroid hormone biosynthesis, supporting basic metabolic function. Vitamin D3 has the added benefit of promoting parathyroid hormone production in the thyroid gland which subsequently helps maintain a healthy balance of calcium in the blood and tissues of the body. All the above ingredients plus pHysioProtease® exhibit anti-inflammatory and antioxidant properties that protect the structure and function of the thyroid gland. Rice Bran and Black Currant have been removed from Thyrizol™ because the above ingredients are more appropriate for the intended purpose of this product. Hemicellulase, beta-Glucanase and Phytase have also been removed because they are no longer needed to breakdown rice bran.

OLD FORMULA

Supplement Facts

Serving Size: 1 Vegan Capsule

Amount Per Serving	% DV
Synergistic Herbal/Plant Blend*	
Bladderwrack (<i>Fucus vesiculosus</i>) (algae) Extract	200 mg **
Rice (<i>Oryza sativa</i>) (bran)	60 mg **
Forskohlii (<i>Plectranthus barbatus</i>) (root) Extract (10% forskolin)	50 mg **
Ginger (<i>Zingiber officinale</i>) (rhizome) Extract (5% gingerols)	40 mg **
Black Currant (<i>Ribes nigrum</i>) (fruit) Extract	40 mg **
Therapeutic Enzyme Blend	
pHysioProtease® (a blend of exo and endo proteases)	50,000 HUT **
Hemicellulase	750 HCU **
beta-Glucanase	4 BGU **
Phytase	0.7 FTU **

**Daily Value (DV) not established.

Other Ingredients: plant fiber, water.

NEW FORMULA

Supplement Facts

Serving Size: 2 Vegan Capsules

Amount Per Serving	% DV
Vitamin D3 (as Cholecalciferol)	25 mcg 125%
Iodine (from Potassium Iodide)	150 mcg 100%
Zinc (from Zinc Citrate)	20 mg 181%
Selenium (from Selenomethionine)	150 mcg 273%
Targeted Herbal Blend*	
Guggul (<i>Commiphora wightii</i>) (resin) Extract (10% guggulsterones)	400 mg **
Sensoril® (Ashwagandha (<i>Withania somnifera</i>) (root & leaf) Extract (NLT 10% withanolide glycosides))	200 mg **
Coleus Forskohlii (<i>Plectranthus barbatus</i>) (root) Extract (10% forskolin)	200 mg **
Ginger (<i>Zingiber officinale</i>) (root) Extract (5% gingerols)	100 mg **
Bacopa (<i>Bacopa monnieri</i>) (whole herb) Extract (20% bacosides)	100 mg **
pHysioProtease® (a blend of exo and endo proteases)	60,000 HUT **

**Daily Value (DV) not established.

Other Ingredients: plant fiber, water.
