

ProEnzol® Urinatract™ provides a synergistic blend of potent herbal extracts including Chanca Piedra and Dandelion, plus D-Mannose and pHysioProtease® to protect the delicate epithelial lining of the urinary tract from bacteria and calculi by promoting normal urine output and pH.*

DIRECTIONS: Take two (2) capsules twice daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
