

DIGESTIVE SUPPORT

GasEnz™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

Helps Ease Abdominal Discomfort Caused by Gas-Forming Foods*

GasEnz™ provides a highly-effective blend of non-animal derived digestive enzymes, primarily to assist in breaking down digestion-resistant plant fiber, sugars (raffinose and lactose) and starch, plus carminative herbal extracts; all of which help to reduce occasional gas and bloating associated with the consumption of legumes (beans), whole grains, cruciferous vegetables, milk products and many other gas-forming foods.*

Clinical Applications

- Aids in relieving intestinal gas and bloating by maintaining normal food transit time through the GI tract, minimizing gas-causing colonic bacteria and soothing abdominal spasms*
- Helps avoid fiber intolerance and the resulting bloating, flatulence and/or abdominal cramping after consumption of high fiber foods such as whole grains, nuts, seeds, fruits and vegetables
- Supplies enzymes not produced by the body to better digest foods rich in fiber*
- Breaks down oligosaccharides (mainly raffinose) found in legumes (beans), cruciferous vegetables, asparagus and other vegetables preventing their gas-producing fermentation*
- Promotes a reduction in the amount of FODMAPs (fermentable oligosaccharides, disaccharides, monosaccharides and polyols) in the colon that result in gas formation*
- Assists in managing the abdominal discomfort associated with lactose intolerance by breaking down lactose found in milk and milk products such as cheese and ice cream*
- Supplements salivary, pancreatic and intestinal brush border sugar/starch-digesting enzymes helping to digest carbohydrate-rich foods such as baked goods, starchy vegetables and pasta*
- Provides digestive enzymes to break down dietary protein and fat for more complete digestion*

Supplement Facts

Supplement Facts

| Serving Size: 1 Vegan Capsule | | |
|--|---------------------|------|
| Amount Per Serving | | % DV |
| Gas-Relieving Herbal Blend* | | |
| Fennel (<i>Foeniculum vulgare</i>) (seed) Extract | 200 mg | ** |
| Caraway (<i>Carum carvi</i>) (seed) Extract | 100 mg | ** |
| Dandelion (<i>Taraxacum officinale</i>) (leaf) Extract | 50 mg | ** |
| GasEnz™ Blend | | |
| Amylase | 15,000 DU | ** |
| Diastase | 15,000 DP° | ** |
| Glucoamylase | 50 AGU | ** |
| Protease | | |
| Alkaline Protease | 24,000 HUT | ** |
| Neutral Protease | 2,000 PC | ** |
| Acid Stable Protease | 50 SAPU | ** |
| Xylanase | 4,000 XU | ** |
| Maltase | 8 MaltU | ** |
| alpha-Galactosidase | 600 GalU | ** |
| Cellulase | 2,000 CU | ** |
| beta-Glucanase | 60 BGU | ** |
| Phytase | 15 FTU | ** |
| Lactase | 750 ALU | ** |
| Hemicellulase | 3,000 HCU | ** |
| Peptidase | 1,000 HUT/20 DPP-IV | ** |
| Lipase | 500 FIP | ** |
| Invertase | 250 SU | ** |
| Pectinase | 20 endo-PGU | ** |

**Daily Value (DV) not established.
Other Ingredients: plant fiber, water.

Product Details

DIRECTIONS

Take one (1) capsule at the beginning of any meal containing gas-forming foods, or as directed by your healthcare professional. More may be taken as needed to ease abdominal discomfort.

CONTRAINDICATIONS

This product should not be taken by an individual with a hypersensitivity to *Aspergillus* or to any of its ingredients. If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use.

DOES NOT CONTAIN

Sugar, soy, wheat, yeast, gluten, peanuts, tree nuts, eggs, dairy, animal products, artificial colors, flavors and sweeteners or genetically modified organisms (GMOs).

STORAGE

Store tightly closed in a cool, dry place out of reach of children.
