Probiotic 50

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

50 Billion Live Organisms for Intestinal and Immune Support*

Probiotic 50 provides a high-potency blend of thirteen different, clinically-proven strains of *Lactobacilli* and *Bifidobacteria* that work synergistically to support intestinal and immune health by helping to optimize microflora diversity and balance, boost natural resistance to harmful microorganisms, maintain normal inflammatory responses and relieve occasional bowel discomfort. Formulated with the natural prebiotic, Apple PrePectin™, for sustained probiotic viability.*

Clinical Applications

- Supports healthy intestinal and urogenital microflora colonization*
- Produces natural antibiotics and pH-normalizing substances to defend against harmful bacteria*
- Helps maintain a strong mucosal barrier preventing translocation of undesirable microbes*
- Promotes healthy immune modulation and inflammatory cytokine balance*
- Provides precursors for anti-inflammatory butyrate production in the intestines*
- Enhances digestion, absorption and metabolism of food nutrients*
- Augments the body's production of lactase easing lactose intolerance*
- Restores normal bowel regularity and stool consistency following bouts of dysbiosis*
- Relieves occasional discomfort common to acute and chronic bowel conditions*
- Resistant to stomach acid, bile and digestive agitation*
- Probiotics are stabilized to maintain shelf life meaning refrigeration is not required
