

MUSCULOSKELETAL SUPPORT

# Disc & Joint

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## Helps Promote Comfort, Mobility and Structural Integrity\*

Disc & Joint provides a therapeutically-effective blend of cytokine-blocking, non-animal derived proteolytic enzymes including Serratiopeptidase, Bromelain and pPhysioProtease® plus potent herbal extracts including Boswellia and bioactive nutrients including MSM to promote comfortable disc and joint flexibility while helping to maintain healthy cartilage.\*

### ✓ Clinical Applications

- Helps maintain healthy joint and vertebral disc structure and function\*
- Supports the formation of new cartilage and other connective tissue\*
- Boosts the body's antioxidant defenses to help protect against oxidative damage to cartilage\*
- Promotes a normal inflammatory response which may expedite tissue repair\*
- Encourages the reduction of swelling and stiffness by helping to facilitate the removal of dead tissue and excess interstitial fluid\*
- Induces cytokine balance in nerve tissue which may help relieve discomfort\*

pPhysioProtease® is a registered trademark of Enzymes Inc

BCM-95® is a registered exclusive licensed trademark of Arjuna Natural Pvt. Ltd.
