

PROBIOTICS

# Probiotic 5

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## 5 Billion Live Organisms for Daily Intestinal Support\*

Probiotic 5 provides a synergistic blend of eight different strains of *Lactobacilli* and *Bifidobacteria* with a long history of safe use in helping to maintain a healthy balance of microflora throughout the entire intestinal tract. Formulated with the natural prebiotic, Apple PrePectin™, for sustained probiotic viability.\*

### Clinical Applications

- Contains eight different probiotic strains naturally found in the human intestinal tract
- Assists in maintaining microflora diversity in both the small and large intestines\*
- Supports digestive health and nutrient absorption\*
- Stimulates normal bowel function and regularity\*
- Helps ease occasional digestive discomfort\*
- Promotes healthy gastrointestinal immunity\*
- Resistant to stomach acid, bile and digestive agitation\*
- Probiotics are stabilized to maintain shelf life meaning refrigeration is not required
