# Hepatzol™

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

## Assists in Maintaining Healthy Liver Structure and Function\*

Hepatzol™ provides a beneficial blend of powerful herbal extracts including Milk Thistle, Artichoke and Turmeric, all-natural B-vitamins and pHysioProtease® to help maintain a healthy liver by supporting normal toxin elimination, bile composition, macronutrient metabolism, immune modulation and liver tissue protection.

### Clinical Applications

- Exhibits hepatoprotective properties by helping to preserve healthy hepatocyte cell membranes, blocking the penetration into the cell of harmful toxins and organisms\*
- Promotes healthy synthesis and activity of enzymes vital to liver detoxification pathways\*
- Helps maintain normal bile production and intrahepatic bile duct and blood vessel function, promoting efficient elimination of waste through the circulatory and digestive systems\*
- Encourages healthy hepatic protein production and degradation to help support normal liver function and liver tissue regeneration\*
- Aids in maintaining normal hepatocyte lipid content and hepatic extracellular matrix deposition\*
- Supports healthy Nrf2 pathway activation influencing regulation of hepatic glucose and lipid metabolism\*
- Assists in balancing inflammatory and fibrotic mediators and promoting a healthy immune response in liver tissue\*
- Augments the body's supply of antioxidants and free radical scavengers helping to shield the liver and its many metabolic functions from toxin or cytokine-induced oxidative damage\*
- Demonstrates a positive effect on liver enzyme markers including ALT, AST, ALP and GGT\*
