

ProEnzol® Children's DigestEnz™ provides an excellent, broad-spectrum blend of acid-resistant, non-animal derived digestive enzymes to assist the body's own enzymes in breaking down and assimilating dietary protein, carbohydrates, fat and fiber, making food nutrients more readily available for optimal absorption.*

DIRECTIONS FOR CHILDREN AGES 4+: Chew one (1) tablet at the beginning of each meal, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.
