

PROBIOTICS

Probiotic 25

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

25 Billion Live Organisms for Intestinal Microflora Support*

Probiotic 25 provides a highly-effective blend of thirteen different strains of *Lactobacilli* and *Bifidobacteria plus S. thermophilus* to support healthy microflora colonization in the intestinal tract helping to maintain normal nutrient assimilation and immune function plus provide relief from antibiotic- induced intestinal dysbiosis. Formulated with the natural prebiotic, Apple PrePectin™, for sustained probiotic viability.*

Clinical Applications

- Assists in maintaining resilient intestinal microflora through species diversity*
- Supports healthy digestion, nutrient absorption and metabolism*
- Helps retain a normal intestinal pH naturally inhibiting harmful microorganisms*
- Promotes healthy immune and inflammatory responses*
- Restores normal bowel function following antibiotic use and other causes of dysbiosis*
- Augments the body's production of lactase easing lactose intolerance*
- Relieves occasional intestinal discomfort due to microflora imbalances*
- Resistant to stomach acid, bile and digestive agitation*
- Probiotics are stabilized to maintain shelf life meaning refrigeration is not required
