

ProEnzol® Bone Matrix™ provides a supportive blend of seven bioavailable minerals, two essential vitamins and two botanical extracts including Genistein plus absorption enhancing enzymes from non-animal sources to promote the normal formation and maintenance of strong, healthy bone tissue.*

DIRECTIONS: Take two (2) capsules two to three (2-3) times daily at the beginning of a meal, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.
