

ProEnzol® Attenizol™ provides an effective blend of botanical extracts, amino acids and serratiopeptidase to promote healthy executive function including sustained attention, ability to learn, working memory and self-regulation by supporting normal neurotransmitter levels, blood flow and cellular protection in the brain.*

DIRECTIONS: Take two to three (2-3) capsules once daily in the morning on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. Keep out of reach of children.
