Natural C + Bioflavonoids

DAIRY FREE | GLUTEN FREE | SOY FREE | VEGAN

100% Natural-Source Vitamin C + Citrus Bioflavonoids

Natural C + Bioflavonoids provides an excellent blend of all-natural Vitamin C from Acerola Cherries and Amla Fruit plus full-spectrum Citrus Bioflavonoids formulated to supplement the diet or be taken in combination with systemic ProEnzol® products to increase their therapeutic effectiveness.*

Clinical Applications

- Provides Vitamin C naturally found in non-GMO botanical extracts not synthetic Vitamin C obtained from genetically-modified corn chemically processed to yield ascorbic acid*
- Delivers numerous other nutrients and phytochemicals present in Vitamin C-rich botanicals which may enhance the body's use of Vitamin C as well as confer synergistic health benefits*
- Contributes full-spectrum Citrus Bioflavonoids found with Vitamin C in nature to augment the vitamin's antioxidant, anti-inflammatory, detoxifying and cell-signaling properties*
- Supports normal adrenal function by helping to modulate the production of cortisol and catecholamines, having a beneficial effect on the body's stress response and fatigue*
- Participates as an important co-factor in energy-yielding metabolism of food nutrients*
- Supplements the body's own antioxidant defense against free radical-related cell damage resulting from normal metabolic processes, illness or environmental factors*
- Helps maintain a healthy immune response to harmful microorganisms and environmental irritants by influencing the proliferation and activity of specialized immune cells*
- Plays a vital role in collagen production needed to build and repair connective tissue as found in skin, bones, joints, discs, muscles, tendons, ligaments and blood vessels*
- Supports normal cardiovascular function by protecting against oxidative stress and by promoting normal blood sugar/lipid metabolism, endothelial function and blood circulation*
- Exhibits neuroprotective properties helping to maintain healthy cognitive capabilities.*
